

It was exciting meeting with Major Steel,
and our attempt at resurrecting those occurrences was a
real stretch for me.

The major has two years on me, he will be 90 in February
but his recall, and experiences were more varied,
his exposure to the perils of that time were far and away
more precarious, as his near fatal wound would testify.
Again -- his book would make a good read!

I am most confident our "Good Lord" caused our paths to
be crossed again, not just for the camaraderie, but most
importantly, to be thankful for our long lives.
Giving us the opportunity to Love:

MAT 22:37 Jesus replied, "Love the Lord your God with
all your heart, soul, and mind."

38 This is the first and greatest commandment.

The second most important is similar:

'Love your neighbor as much as you love yourself.'

So thank you again **good neighbor**, because of your
inquiries I would not have had the before mentioned
excitement -- the, yes it did happen!

BUT-there were millions of us !!

I would truly appreciate keeping me abreast of your
progress relating to the BOTTCHER sit..

Thirty!
